Sir:

Enclosed please find a copy of the filing receipt for the above-identified U.S. application.

Please note that one of the inventors's names was misspelled in the Official Filing Receipt and it has been highlighted. The correct name of the inventor is as follows: Nicholas F. Restifo and not Nicholas F. Pestifo as it appears on the Official Corrected Filing Receipt.

Applicants respectfully request that the PTO correct its records and issue a corrected filing receipt with the corrected information. Since this error is on the part of the Patent Office, no fee should be charged to us in order to correct the filing receipt.

Respectfully submitted,
